Brief Presentation History

Praise for Alan Shelton's Burnout and Wellness Presentations

Comments from Presentation Attendees

"Alan Shelton was fantastic! Have him return."

"Dr. Shelton's talk on recognizing burnout as an opportunity for spiritual growth was the highlight of the conference . . . and for me, personally transforming."

"More presentations like Dr. Shelton's should be available at all meetings."

"I found this a most inspiring and energizing presentation. I appreciated that Dr. Shelton . . . concentrated on a deeper spiritual awareness which underlies all religious traditions."

"The most enlightening, refreshing, and spiritual speaker."

"Alan's presentation was inspiring . . . and the highlight of the week."

"Excellent discussion of an important topic."

"Participants . . . find this session humorous and rewarding."
